

**Landing Obligation 2019:
What have we learned, what are the next
steps?**

*A Science - Policy conference for the closing of
H2020 DiscardLess project*

PROGRAM

(version 23/01/2019)

30th January (13⁰⁰) to 31st January (15³⁰) 2019

GLASSALEN (Building 101)

Technical University of Denmark (DTU)

2800 Kgs. Lyngby (Nord Copenhagen)

Denmark

WEDNESDAY 30th JANUARY

Session I: Landing Obligation: where are we now, what has changed, and what are the main barriers? (13:00-15:10)

Session lead: Mike Fitzpatrick (Ireland) and Kåre Nolde Nielsen (Norway)

12.30	Registration
13:00	Opening and welcome <i>Anders Overgaard Bjarklev, President of DTU</i> <i>Clara Ulrich, DiscardLess coordinator</i>
13:20	FAO assessment of global fisheries discards <i>Amparo PerezRoda (FAO)</i>
13.30	Looking back: stories of EU regions between 2015 and 2018 <i>Mike Fitzpatrick (Ireland), Kåre Nolde Nielsen (Norway)</i>
13:40	Can a discard ban be good for fishers? Modelling expected economic impacts <i>Ayoe Hoff (Denmark)</i>
13.50	Legitimate or not legitimate policy? the opinion of EU fishers <i>Katia Frangoudes (France)</i>
14:00	TAC management and choke effects in Ireland <i>Julia Calderwood (Ireland)</i>
14:10	Table Discussion
15:10	Coffee (1/2h)

Session II: Selectivity and Avoidance (15.40-18.00)

Session lead: Dave Reid (Ireland) and Barry O'Neill (Denmark)

15:40	Start of session
15:40	The Discard Mitigation Toolbox: DiscardLess results online <i>Jérôme Guitton (France)</i>
15.50	Review of déjà vu selective gears <i>Barry O' Neill (Denmark)</i>
16:00	Bright ideas – shining a light on selectivity <i>Dan Watson (UK)</i>
16:10	Overcoming economic barriers to selective gear uptake <i>Ana Witteveen (UK)</i>
16:20	Questions on selectivity talks
16:25	Try it by yourself: Challenges experiments to avoid discards <i>Dave Reid (Ireland)</i>
16:35	Maps and Apps <i>Toni Quetglas (Spain)</i>

16:45	Is it possible to avoid deep sea sharks in the Azores? <i>Laurence Fauconnet (Portugal)</i>
16:55	Next steps (Panel debate / discussion)
18:00	Wrap-up and close for the day

18.30 : Reception

DTU 202 Biosphere
Meal, Drinks and exhibits
21:00-21:30: Busses to the city centre

THURSDAY 31st JANUARY

Session III: What to do with unavoidable unwanted catches? (9.30-11:30)

Session lead: Erling P. Larsen (Denmark) and Jónas R. Viðarsson (Iceland)

09:30	Start of session. Coffee at disposal from 09:00
09:30	How do Iceland manage to use 85% of a cod? <i>Jónas R. Viðarsson (Iceland)</i>
09:40	Where to invest best? Catalogue of uses and prioritisation <i>Bruno Iñarra (Spain)</i>
09:50	We are ready for discards... if they come <i>Peter Nymann (Denmark)</i>
10:00	Small landings in small harbours <i>George Triantaphyllidis (Greece)</i>
10:10	Transforming unwanted catches in responsible animal feed solution <i>Geert Bruggeman (Belgium)</i>
10:20	An automatic system for by-catches quantification and classification <i>Bruno Iñarra (Spain)</i>
10:30	Handling unwanted catches onboard <i>Birgir Sævarsson (Iceland)</i>
10:40	Next steps (Panel debate / discussion)
11:30	Coffee + light lunch (1h)

Session IV: Ecological effects of discarding (12:30-13:45)

Session lead: Marie Savina-Rolland (France) and Telmo Morato (Portugal)

12:30	Start of session
12:30	Discard data, MSY and stock assessment <i>Lisa Borges (Portugal)</i>
12:40	Measuring and improving the survival of discards <i>Tom Catchpole (UK)</i>
12:50	But who eat them? A story of hagfish and crabs <i>Dave Reid (Ireland)</i>
13:00	Can a discard ban have an effect on the food-web? <i>Marie Savina-Rolland (France)</i>
13:15	The dark side of the selectivity paradigm: Fisheries-Induced Evolution <i>Richard Law (UK)</i>
13:25	Next steps (Discussion)
13:45	End of session

Session V: Future perspectives for the Landing Obligation (13:45-15:30)

Session lead: Lisa Borges (Portugal) and Clara Ulrich (Denmark)

13:45	Start of session
13:45	CAM-pliance: Keeping an eye on discards with Electronic Monitoring <i>Kristian Schreiber Plet-Hansen (Denmark)</i>
13:55	Visit and speech by <i>Eva Kjer Hansen, Danish Minister for Fisheries and Equal Opportunities and Minister for Nordic Cooperation</i>
14:10	What DNA can do for you! Genetic methods and the Landing Obligation <i>Brian Klitgaard Hansen (Denmark)</i>
14:20	Yes Chile can! Discards reduction and monitoring in mixed-fisheries <i>Luis Cocas (Chile)</i>
14:30	Next steps for the Landing Obligation and looking towards the next CFP reform (Discussion)
15:30	Conference Closing
