Please sign -it's our FUTURE

A large crowd of people is gathered outdoors, likely at a protest or public demonstration. In the foreground, a woman with long brown hair, wearing a red jacket and a black backpack, is seen from behind, holding a large, rectangular sign made of cardboard. The sign has the text "ACT NOW OR SWIM LATER" written on it in bold, black, hand-painted capital letters. The word "OR" is smaller and positioned between "NOW" and "SWIM". The background is filled with many other people, some wearing winter clothing like jackets and hoodies. Some people in the background are also holding signs, though they are out of focus. The overall atmosphere appears to be one of a busy public gathering.
